Laval, France – September 30, 2015

Group I – 2 050 m – Autostart

100 000 € (45.000, 25.000, 14.000, 8.000, 5.000, 2.000, 1.000)

The European Championship for 3 years old is open to 3 years old horses (except geldings) born or considered as born in the country they represent and registered in the Stud-Book of this country.

The Championship will be raced in one division with maximum 16 horses (8 by row).

The maximum number of horses accepted per country is fixed at three (3), except for the organizing country.

If more than 8 horses are nominated as Nr.1, the horses starting from the first row will be selected according to their record over 2.000 meter and more.

If all the countries are not represented in the Championship, the field will be completed as follows:

First a second competitor of the organizing country, then a third competitor of every remaining member country.

If the maximum number of 12 horses is not reached, the field will be completed with horses from the organizing country.

The start positions of the horses in the first row will be assigned by a first public drawing.

The second participant of a member country can only start in the first line if all the participant countries are already represented in this line.

The start positions of the second and third competitors will then be drawn together.

Nominations and start declarations are free.
